HULA GIRL

Hula girl brand is a tribute to the lovely ladies of Hawaii whose uncompro-mised beauty and grace is recognized around the world. They may shake there hips and have a smile on their lips but the story is told through their hands.

Hula girl products are made In Hawaii with that special ingredient we call Aloha.

Our Kona Coffee Blend is made with only the finest beans from Kona and then blended with rich Columbian coffee to create a truly legendary taste. The prized beans from Kona are hand-picked and sun dried for optimal roasting. We roast the coffee to perfection for your enjoyment. We are very confident that we have captured the essence of our island home. Hula girl coffee gives you Hawaii in a cup.

Have your coffee and your breakfast with Hula girl. We also compliment the coffee with the best gourmet pancake and waffle mix in the world. All natural, no artificial flavors. We have 3 delightful flavors to choose from Pineapple Coconut, Mango Macadamia Nut, and Kona Coffee Chocolate chip. Real big chunks of fruit and nuts are very prevelant throughout the package. All you do is add water and you to can make the finest gourmet pancake in the world. And for you chodlate lovers we use guittard chocolate with an infusion of Kona Coffee. As the Hawaiians would say "it's so ono", which of course is delicious.

If it says Hula Girl it says an Hawaiian Original.
